

LIVE 4-HOUR CERTIFICATION WEBINAR

Advanced PCSOT Webinar

A twelve-module intensive in Post-Conviction Sex Offender Testing for practicing polygraph examiners — built around the containment/collaboration model and community-safety mission.

| DATE | TIME | FORMAT | CREDIT |
|----------------------------|----------------------------------|--------------------------------------|----------------------------------|
| Thu, Aug 13 2026 | 10:00 AM EDT · 4 hours | Live Online Instructor-led | 4 CE Hrs For examiners |

WHY THIS COURSE

PCSOT is a **structured risk-management process** — not a **punishment tool**. This certification takes experienced examiners beyond technique into the discipline that makes every chart, question, and report meaningful: target selection, question formulation, and defensible testing within the containment/collaboration team.

TWELVE MODULES

| | |
|---|--|
| I PCSOT Foundations | II The Containment/Collaboration Team |
| III Understanding the Sex Offender | IV PCSOT Examination Types |
| V Maintenance Examinations | VI Risk Assessment & Escalation |
| VII Target Selection | VIII Question Formulation |
| IX Interviewing Techniques | X Testing Formats & Applications |
| XI Practical Case Workshop | XII Summary & Implementation |

THE FOUR D'S OF PCSOT

| | | | |
|------------------------|-----------------------|------------------------|------------------------------|
| D DISCLOSURE | D DETECTION | D DETERRENCE | D DECISION SUPPORT |
|------------------------|-----------------------|------------------------|------------------------------|

What you'll take away

- ◆ **4 CE hours** for examiners
- ◆ Certificate of Completion
- ◆ Printed student workbook to keep
- ◆ Defensible target-selection procedure
- ◆ DLST & SIST testing formats
